1996 Anchor

A Message To Our Seniors

To paraphrase an ancient Greek riddler with whom you should be familiar, what moves on all fours, then on two legs, then on two wheels, then on four wheels, then takes flight, and finally walks on three legs? The answer is a Manchester High School senior.

I'm sure you can follow the riddle up until the flight part. Let me explain. Flight is a metaphor for success which you are now prepared for. However, since I would like to place you in an ancient Greek frame of mind, you must embark on a quest to find your Icarus-type wings in order to reach your destination. The danger of illusions and distractions will be everywhere.

The senior year serves as a good training ground for illusions. For example, you are named seniors which usually has the meaning of being at the top as in senior vice-president of a corporation or senior partner in a firm. Senior can also mean being mature and wise in comparison to those who are your junior. Being a senior citizen is an example. Just when it appears as if you were at the top and mature, you simultaneously find out that you are not headed for a graduation; it is really a commencement, a beginning.

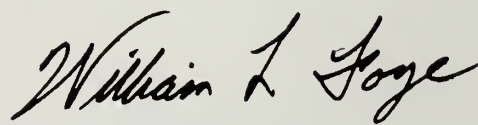

Soon you will be novices, freshmen, neophytes, apprentices searching for your success wings in a

myth that you are creating. Remember you need to hold on to your personal values and standards. Only then will you know when you have reached your destination. Trust yourself because reality and illusion often appear as twins in this myth. For example, there are some that try flying without the wings. This, of course, can be extremely dangerous.

When you find the pair of wings that is available to each of you, remember that they are ancient Greek models and are therefore made of wax. Remember Icarus; exercise humility. Remember all the flight training you have had.

I wish you an adventurous and thought-filled flight. Let us know how your myth ends so that we might add it to the 1996 chapter.

Sincerely,

William L. Foye
Principal

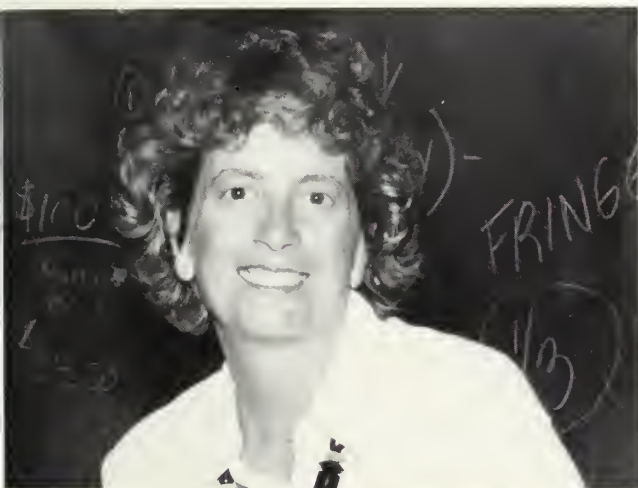

Dedicated To Mrs. Nancy Borsetti

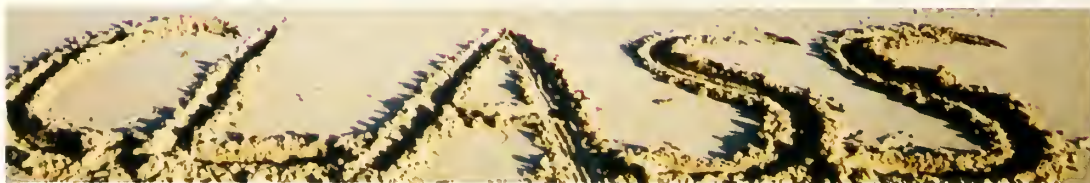

The class of 1996 would like to dedicate the Anchor to Mrs. Nancy Borsetti, a teacher that goes beyond the normal expectations. "Mrs. B." has always been a caring and understanding friend that many of us have come to for advice, or just to talk. As the DECA advisor, we have shared many good times while learning valuable material to help us in our future careers. She is the driving force behind the Anchor, and without her continuous efforts, our yearbook would never be what it is today. She is not only a big support in school, but is also found supporting many activities after hours, from athletics to many class activities.

The class of 1996 would like to show you our appreciation, by the dedication of the 1996 Anchor. All of your spirit and inspiration has helped to make our years at MHS the best that they could be!! Thanks "Nance!!"

Doing Lunch

In late September we boarded school buses with McDonalds lunch bags to Masconomo Park for our Senior Class picture. A week later we were surprised by our parents and taken on a mystery lunch ride on the Cape Ann Trolley. We enjoyed our lunch and "spun the beach" for dessert.

These are my treasures kept apart,
Cradled in velvet in my heart,
Graven profiles, picture-dear,
Etched in ageless time to be

My cameos of memory.

The hours I have spent with you,
The tender times, the fun times, too,
The summer roses and the rain,
The laughter and the precious pain
Of loving you - your loving me -

My cameos of memory.

These are my wealth, my warmth, my light,
I keep them dream-close all the night.
With finger-tips of heart and mind
I trace each profile there defined -
These treasures none can take from me -

My cameos of memory.

Thanks For Seventy-Eight Years

The student, faculty, and staff of Manchester High School knows that our school will have some very big shoes to fill with the retirement of these key members of our community. We would like to thank Mr. Richard Costello (32 years), Mr. David Ryan (24 years) and Mrs. Jean Sawyer (22 years) for their continuous dedication.

Mr. Richard Costello has taught science and chaired the department during a spectacular career as a teacher, student council advisor, National Honor Society honorary member, and friend to students. Mr. Costello's sense of professionalism and his courses, which reach the needs of many types of students, have made a big difference to many students.

Mr. David Ryan loves teaching. "Captain Seaweed, the "owner" of Misery Island, has always chosen to teach as many classes as he could, and every students he's had recognizes his dedication, attention to detail, and concern for all students. Mr. Ryan was also an honorary member of the National Honor Society.

Mrs. Jean Sawyer has worked as secretary to the Principal for over two decades, but she's been far more than a secretary. She has greeted students (early and late), called parents, helped to graduate the seniors, and made sure that the school runs smoothly. Most everyone knows that the secretaries really run the schools, and Mrs. Sawyer is the perfect example of a vital contributor who will be missed.

Dear Laura,

My heart is full of the treasured memories of 17 special years. From the 3 year old who ended every sentence with, "Right Mom?" (The last year Mom's advice was wanted.) to the teenager with outstanding negotiating skills (for the car, a later curfew, the phone, the once in a lifetime concert- 10 times!) to years of sharing: learning to ski and figure skate, winning the Ground Round Mother's Day contest, sports, Brownies, apple picking, baking, traveling . . . so many wonderful memories and many more ahead. We are proud of your accomplishments and especially the caring, sensitive and decisive person you have become.

Congratulations to Our 1996 Graduate!!

Love,

When I was Two,
I was nearly new.

When I was Three,
I was hardly Me.

When I was Four,
I was not much more.

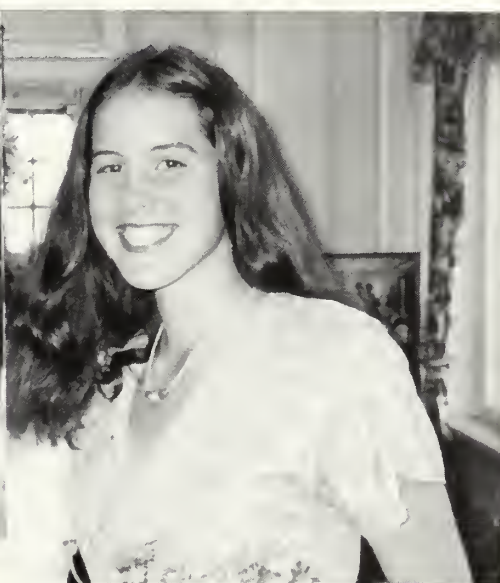

When I was Five,
I was just alive.

But now I am Six, I'm as clever as clever.
So I think I'll be six now for ever and ever.

Kenny,

It has been such a joy to watch you grow from a very curious, creative, sensitive and humorous little boy into a wonderful young man. You are a "mother's dream". You find good in everyone and you will always help someone in need. You possess such fine qualities - good manners, courteous, considerate of others, sensitivity and a marvelous sense of humor and "**oh**" that smile!! You make me so proud. I think about how special you are and how much joy your cheerfulness and willingness to help out have added to my life . . . At times I may have criticized you, and at times tried to change you, but I love you just the way you are . . . the way you are "Gump" makes me so-o very proud. Your first "buck" hunting, your first big bass, fishing, your archery. **How great.**

Graduation day means so very much because it is a day to look back and celebrate all your past struggles and past accomplishments and to look forward and anticipate all your future successes and dreams. Most importantly, always stay within your means!!

Kenny and Laura, whatever path you choose, whatever future you make for yourself from this day on, now that you are already a success in my eyes. It has been a great joy to watch you both grow and mature into responsible young adults. All that we have shared through the years has only reinforced what truly special people you are.

September will be especially difficult for you both as you will go down separate paths to new and exciting adventures. But who knows what may lie at the end of the path . . . only **destiny** knows.

Study hard, work hard, have fun. You both deserve the best.

May all your dreams come true.

Love, Mom (Sue)

Here is our recipe for a happy life; the ingredients are simple. First, know yourself; you'll always know what to do next when difficulties arise. Second, live in the present; savor every minute because time is what we have least of. Third, never stop learning. One of the surprises of growing older is that the mind doesn't. Fourth, stay as wonderful as you are.

*Tambrey,
 Through years of laughter,
 Moments of sadness,
 Times of sorrow,
 And many of gladness,
 We have done it together.
 I'll miss you!

MHS Contributes To Globe Santa

Many Thanks!

We would like to thank our parents for making our senior year one to remember. Thanks for supporting the Haunted House, bringing sunshine to our mornings, cider and donuts for a treat, Santa with tee-shirts to ring in the holidays, and all the other neat surprises. Thanks for your continuous support-We couldn't have done it without you!!

To our class advisors, Mrs. Benoit and Mrs. Mentus, thanks for all your hard work. Without your help, all our senior activities wouldn't have been a success and this past year a fond memory to treasure forever.

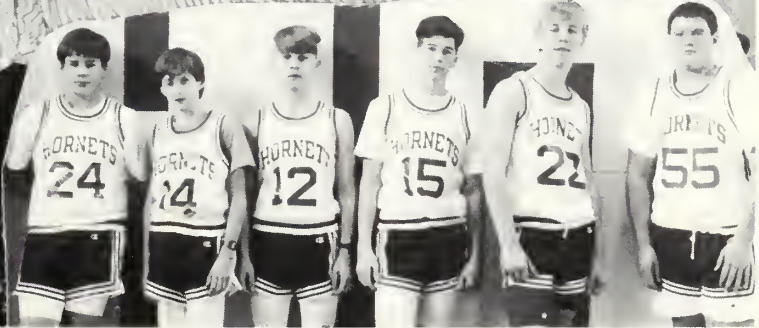

To the Class of 1996:

We've shared many memories throughout our past four years at Manchester High School. Remember-The Prom, 2nd grade, The Playaz Club, Girls Nights Out, Senior Activities, The Mandelbrot Set, "Dump the tea into the sea!" and many, many more!! We would like to wish you all the very best of luck in the future with whatever you do and also hope that the 1996 Anchor has captured many of those memories. To everyone that contributed and made this year's Anchor possible-Thanks!! Also many thanks, Mrs. Borsetti and Tom Keeley, for all your time and efforts-We really appreciate it!!

THE WINDS OF FATE

*One ship drives east and another drives west
With the self-same winds that blow;
'Tis the set of the sails
And not the gales
That tells them the way to go.*

*Like the winds of the sea are the winds of fate
As we voyage along through life;
'Tis the set of the soul
That decides its goal
And not the calm or the strife.*
